I, Monsignore Mykolas Krupavičius, certify herewith that I know very well Mr. Karys Olmāuskas, living at Schwebisch-Gmünd, Bismarckstrasse, as a good and patriot Lithuanian. His service with Lithuanian Police during the German occupation of Lithuania can not identified in any way with the activities of German formations. Doing his work with Lithuanian Police Mr. Olmāuskas has worked at the same time very much for Lithuanian Antinazi-Resistance as an active member of its staff. It is no reason to do not recognise NP status for such person as is Mr. Olmāuskas who has helped Lithuanian Antinazi-Resistance. I think only the agents of bolsheviks could complaint his activity in Lithuania.
